SACC phone number: 703-449-8989

SACC is a Fairfax County Office for Children program for children in kindergarten through 6th grade available at most elementary schools. The program is available to families when all adults in the home are working, attending school, or are disabled. The cost is based on the gross household income.

During the school year, children may enroll in separate sessions:

Before school

After school

Summer, Winter, Spring holiday sessions are offered at select sites
